Shareholders are reminded that, at its meeting on 12 September 2006, the Management Board had already decided to distribute an interim dividend of € 2 per share (a total payment of € 103,318,970). This interim dividend was paid on 20 October 2006.

Accordingly, the balance of € 4 shall be paid to each of the 53,011,870 shares representing the share capital at 31 December 2006, corresponding to a total dividend paid to each share in respect of the financial year 2006 of € 6.

The Meeting stipulates that the Company shall not receive any dividend in respect of any of its own shares that it may hold on the payment date. The corresponding amount shall be appropriated to retained earnings. Accordingly, the Meeting authorizes the Management Board, if necessary, to amend the final amount of dividends actually distributed and the final amount appropriated to retained earnings.

The dividend will be paid on 4 July 2007.

In accordance with the provisions of Article 158.3 (2<sup>o</sup>) of the French General Tax Code (*Code Général des Impôts*), this dividend is eligible for the 40% deduction designed to compensate individuals domiciled in France for tax purposes for the abolition of the tax credit.

The General Meeting notes that the dividends granted for the preceding three financial years were as follows:

Financial year	Number of shares (	Net dividend per share (€)	Tax credit per share (	Total income per share (€)
