Dear Mr Secretary General,

Further to Vallourec's adhesion to Global Compact on July 23, 2010, I am pleased to confirm our company's pledge to support the Ten Principles of the Global Compact. Through this communication, we express our commitment to embed the Global Compact and its principles into our company's strategy, culture, and day-to-day operations.

We also agree that one of the obligations that conditions our participation in the UN Global Compact is the annual publication of a Communication on Progress (CoP), outlining our company's efforts in implementing the Ten Principles.

We are committed to public accountability and transparency, and therefore commit, in 2025, to comply with the four domains for action of Global Compact, in accordance with the UN Global Compact Policy on Communication on Progress.

Sincerely Yours,
